AN EVIL REVOLUTION

OCTOBER 2020

Today we want to take our Scripture text today from **Daniel 9:12:-14**, ***“And he hath confirmed (or performed) his words, which he spake against us, and against our judges that judged us, by bringing upon us a great evil: for under the whole heaven has not been done as have been done upon Jerusalem. That it is written in the law of Moses, all this evil is come upon us: yet made we not our prayer before the Lord our God, that we might turn from our iniquities, and understand thy truth. Therefore hath the Lord watched (or performed) upon the evil, and brought it upon us: for the Lord our God is righteous in all his works, which he doeth: for we obeyed not his voice.”*** Regrettably, America is presently in the throes of an evil revolution. As we witness the profuse dishonesty within our governmental leadership, we are beholding anarchy fomenting from this evil leadership. This evil revolution that I want to address is fundamentally about changing our political structure and landscape. Specifically the evil doers of our nation are desirous to overthrow, along with the complete renunciation of our present government. This evil and diabolical spirit desires to substitute our present government with another government by those who presently govern: we the people. This evil revolution and its activities are specifically designed to effectively and fundamentally change the socioeconomic situation and status of: we the people. This spirit of Marxism is all about changing the social and economic factors of its citizens. Karl Marx declared socialism is the bridge that subtly fills the gap and transition

between capitalism and communism. Nearly all *isms* are evil spirits. Regrettably, our nation is now filled with despotic and tyrannical leaders who seek to take over the greater portion of our economy and form a new and evil government. Have you noticed how quiet the squad and Bernie Sanders has been lately? All the back room deals have been made at the expense of: we the people. These back room deals have promised power to those who support this evil revolution! We the people who labor and pay our taxes are going to suffer grievously and we will also be deprived of our God given rights and liberties if we fail to pray. This evil revolution is all about changing the way we presently perceive and visualize our present government and its leadership. This evil revolution is an attempt to bring about a major change as we understand our society in general. Already the impetus behind this change has brought great chaos and confusion upon many in this hour. Never before have so many unredeemed souls and believers been as confused as they are today. Most people in America are a lot like Pilate: when Pilate questioned Christ and asked: ***“what is truth.”*** Most Americans and so-called Christians can no longer discern the truth from a lie. Let me put it in more simple terms: the evil leadership of our nation is demon infested and completely controlled by Satan himself. For many years I have said D. C. does not stand for the District of Columbia but rather: Demonically Controlled. Satan's minions and cohorts have accelerated their plan. Every day until the election,

these evil revolutionaries will create a crisis to hinder our president and: we the people in general. May I try in my feeble words attempt to elaborate upon this evil plan? Satan and his cohorts want to destroy our Republic, brainwash its citizenry, and facilitate the coming of the Anti-Christ. As Christians “IF” we do not humble ourselves and seek God's face and rend our hearts; then hell itself will burst forth in a way we could have never imagined. Regrettably, we are on the cusp and precipice of losing our nation. I am deeply troubled how that most ministers, pastors, organizations, and denominations are too timid to address the evils that are openly arising within our nation. Few ministers will cry against sin, preach against same-sex marriage, homosexuality, abortion, and a host of other perverted sexual sins that are destroying the fabric of our nation. It is evident only a few are spending time in their prayer closet's storming the throne of God to overturn the evil that is trying to arise within our nation. I'm disgusted with political correctness along with their measured words and temperament. Jesus was not a pacifist and neither did He operate as one when cleansing the Temple of the wicked Pharisees that had made the Temple a den of thieves. It is reprehensible as we witness the fallacious prosperity message and the liberal tone from behind the pulpits from limp wristed wannabe ministers. Colgate smiles, duplicitous spirits, skinny jeans, fog lights, and glamorous dispositions are going to deceive the masses right into a Devils hell. Does anyone remember the sermons like

Jonathan Edwards who preached that renowned message, "*Sinners in the hands of an angry God*"? The Bible is very adamant, ardent, and unyielding about sin and sinners according to ***Psalms 7:11, "And God is angry with the wicked every day."*** Few men are willing to ever mention the word hell from the pulpit: but most people today need the hell scared out of them! The Bible says in ***Psalms 9:17, "The wicked shall be turned into hell, and all the nations that forget God."*** The evil that is permeating our nation is because ministers have lost their backbone and courage to stand against sin and preach righteousness and holiness; which are the true messages of God. Regrettably, we no longer witness old-fashioned Holy Ghost preaching about repentance followed by making godly altar calls and appealing for the sinners and backsliders. I miss the days when the altar services were filled with weeping and lamenting that sounded like a birthing ward when women are laboring, toiling, and groaning in childbirth. I know there are those who will say what I just declared is overly exaggerated and not necessary: but when I read the book of Lamentations I am stirred profusely. Jeremiah declared in ***Lamentations 4:12, "The kings of the earth, and all the inhabitants of the world, would not have believed that the adversary and the enemy should have entered into the gates of Jerusalem."*** The truth is, most of our grandparents would have never believed the condition of our nation at this present time. After many years of repeated warnings, if America does not repent, Jehovah has no recourse but to allow this evil revolution to come to fruition. When judgment falls all the good and greatness of America will be totally destroyed. Judgment will come without godly repentance according to ***Lamentations 4:13, "For the sins of her prophets, and iniquities of her***

priest, who have shed the blood of the just in the midst of her." Jehovah squarely placed the blame of sin upon the spiritual leaders of Israel for their sins brought forth Gods judgment. So it is within America; the ministers have terribly failed God's people. I want to share another verse from ***Lamentations 4:14, "They have wondered as blind men in the streets, they have polluted themselves with blood, so that men could not touch their garments."*** Simply put, the blind are leading the blind and so both will fall into the ditch. When Jehovah declared the ministers had polluted themselves with blood; that simply means the blood of the people will be upon the hands of the priest because of their false teachings and doctrines. Regrettably, many ministers will find their lot in hell because they feared the people more than they feared the Lord. I am quickly reminded of another passage found here in ***2nd Kings 17:33, "They feared the Lord, and served their own gods, after the manner of the nations whom they carried away from thence."*** The modern church has allowed pagans, heathens, spiritual adulterers, and adulteresses of the world to come into our hollowed sanctuaries and pollute our churches with sin, shame, and disgraceful doctrines. Truly, America is on a path of severe judgment if we do not repent and turn from our wicked ways. I am constantly asked: will Donald J Trump be reelected? I feel certitude in my heart the Lord has said: *if we do our part and pray Trump will be elected.* However, if we do not do pray fervently, then Biden will be elected and the destruction of America will come to fruition. I'm not trying to be a fear monger but simply preaching a pure unadulterated message from God's Word. Too many ministers want to be famous and popular among the people but we need to be famous and popular among the hordes of hell. I'm reminded of the Scripture passage concerning the seven sons of Sceva found here in ***Acts 19:13-15, "Then certain of the vagabond Jews, exorcists, took upon them to call over them which had evil spirits the name of***

the Lord Jesus, saying, We adjured you by Jesus whom Paul preacheth. And there were seven sons of one Sceva, a Jew, and chief of the priest, which did so. And the evil spirit answered and said, Jesus I know, and Paul I know; but who are you? And the man in whom the evil spirit was leaped on them, and overcame them, and prevailed against them, so that they fled out of that house naked and wounded." That is the same scenario you would find in most churches today. Just like the church at Laodicea; it is wounded and naked. Today, hell is only fearful of the few Holy Ghost spirit filled preachers in America who are sold out wholly to Christ our Lord. It is time for the church the body of Christ to arise and to wield the sword of the Lord in power and in spirit. America can win this battle if the redeemed of the Lord will fight just like the psalmist David, when he fought against Goliath meaning: in the name of the Lord God Jehovah! If we do as David, we too can fulfill the closing phrase found here in ***1st Samuel 17:46, "That all the earth may know that there is a God in Israel."*** For the most part, everyone in the world knows the story of David and Goliath because Jehovah said the earth would know. Let us arise and enter into this spiritual battle with courage so that all the earth may know: *there is a God in America.* As always, we humbly thank you for your love, prayers, and financial support. You are never taken for granted neither neglected in our prayer lives. We do pray for you, you're families, and your personal needs. I encourage everyone to fast and pray with me through Nov.1-3 for strength and victory for our president in the upcoming election.

Serving with you,

David W. Lankford
